

# HOLLYWOOD ATHLETIC CLUB

PRIVATE EVENTS DECK

In 1924, The Hollywood Athletic Club was founded by showbiz heavyweights, including Charlie Chaplin, Rudolph Valentino and Cecil B. DeMille.

It was a destination where the A-list stars would go to use its amenities, which included an Olympic sized swimming pool to hotel room towers to racquet ball courts and game rooms.

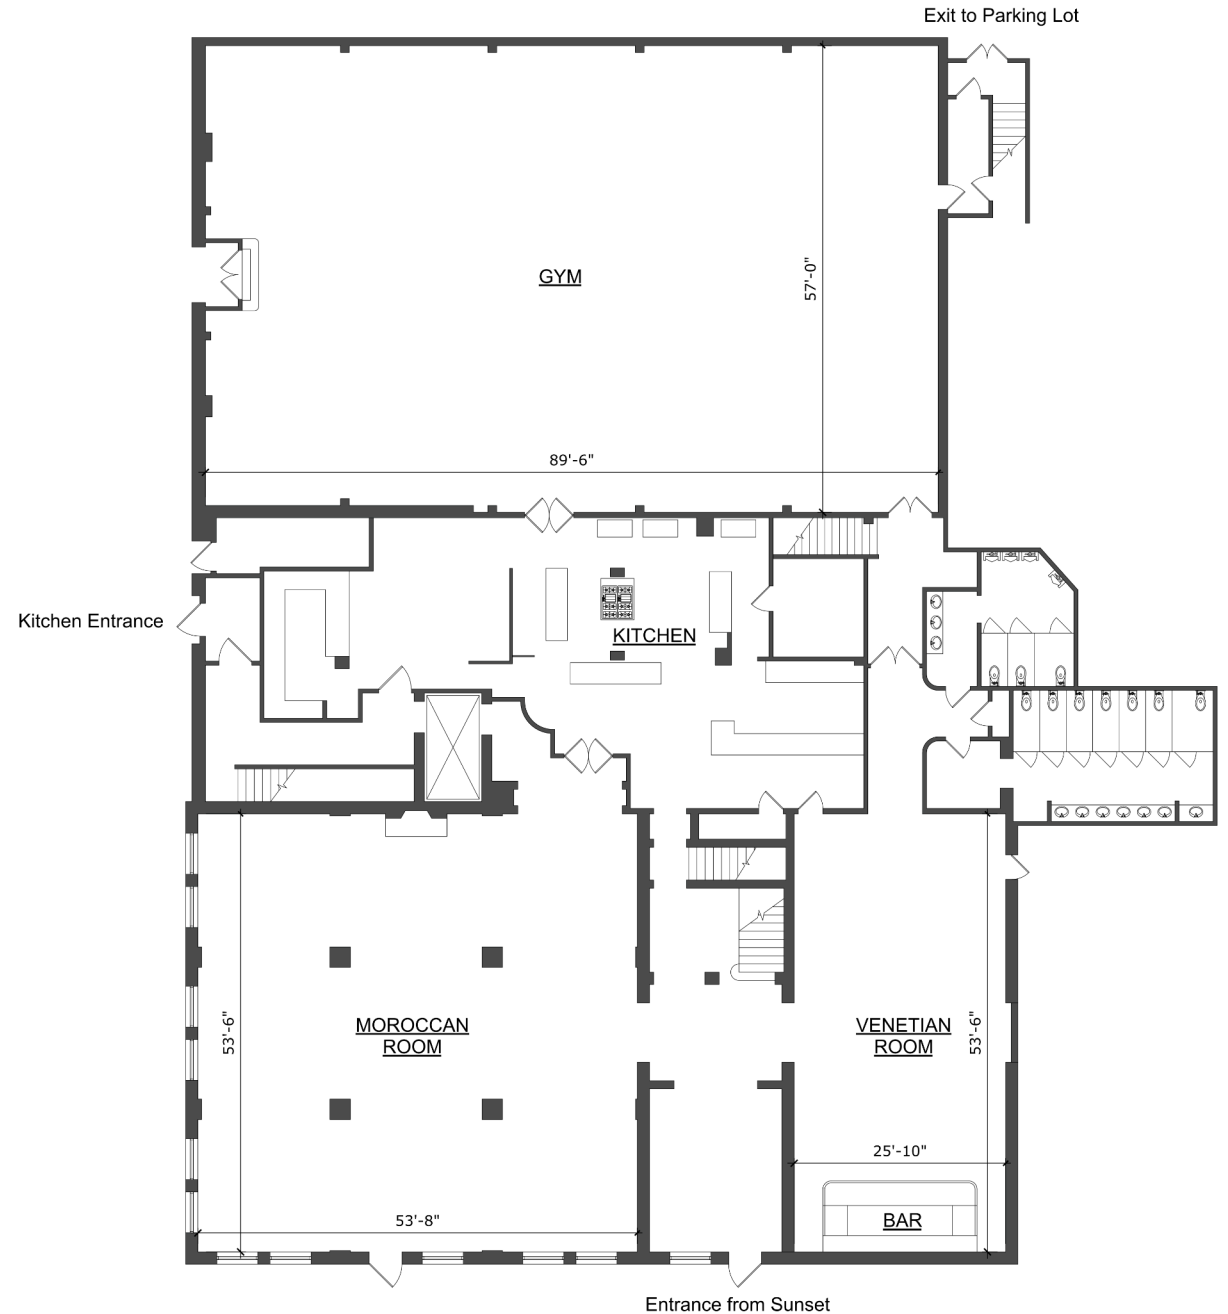

Today, The Hollywood Athletic Club has been restored and is available as an event space and filming location.
